### MAINTENANCE

These Tarkett wooden floors have a Protoco treatment and therefore a strong protection against wear, abrasion, scratches and stains. However, because of their very nature some floors will require more frequent maintenance for increased life span; Light coloured floors, Hardwax oiled floors, Brushed floors, Floors with saw marks.

See maintenance instructions @ [www.tarkett.com](http://www.tarkett.com)

Tarkett's international range of floors comprises many different products. Some of these may not be for sale in your country. Although every care has been taken to reproduce images that reflect the finished product, the quality of monitor and printer and the nature of wood results in variations in the color and structure of individual planks.
